6. Sound Stage

Excellent support was rendered by the Staff to the film unit during the three days that screen tests were being shot in the gymnasium. Public Works officer, showed C/ISB an estimate submitted by a local contractor for cost of work involved in sound-proofing the gymnasium building for use as a sound stage. Some of the work suggested by the contractor is not required and has been requested to obtain a revised bid, taking into account elimination of this unnecessary work. Submission of a proposed Use Agreement to the Office of Communications will be withheld until such time as the revised bid is received.
